

## Allegro Lite Atlas (180kg) Floor Lifter

The Allegro Lite Atlas floor lifter is designed to make the user's experience a truly comfortable lift and transfer to or from beds, chairs or even the floor. The Allegro Lite Atlas has an extra low lifting height to allow for floor lifts and adjustable lift mast to maximise the lifters lift range. The floor lifter comes standard with electric leg adjustment and has a 180kg weight limit, making it ideal to use in the nursing or care home environments. Allegro Lite Atlas is complimented by a full range of loop slings from XXS – XXL.

### Technical Specifications
