

Allegro Sonata (150kg SWL)

Floor Lifter

A lightweight, compact mobile patient lifting lifter with innovative and ergonomic design, the Allegro Sonata 150 is an easy to use everyday lifter. Designed for domestic or lightweight institutional use, the Sonata's safe working load of 150kg offers an outstanding lift capacity in a small patient lifter. Featuring manual leg spread (electric available) and an excellent lifting range, the Sonata allows patients to be lifted from the floor, bed or chair with ease and safety. The Sonata lifter is complemented by a full range of the comfort slings, covering all sizes from extra small to extra extra large.
