

## Allegro Alto (200kg)

### Floor Lifter

The Allegro Alto Lifter 200 is a medium sized heavy duty mobile patient lifting lifter with a safe working load of 200kg. It's compact ergonomic design and high lift capacity makes it the ideal lifting solution for use in hospitals, nursing homes, aged care facilities and in the home environment. The Allegro Alto Lifter 200 provides superior patient lift space through the use of Space Link™ technology and it also features electric leg spread. The Allegro Alto Lifter 200 is complemented by a full range of the comfort slings, covering all sizes from extra small to extra extra large.
