

Invacare Birdie Compact(150kg SWL)

Invacare Birdie Compact (150kg SWL)

Floor Lifter

Designed to fold easily and without the need for tools, the Invacare Birdie Compact can be stored or transported comfortably when space is limited. The compact base and large castors enable smooth manoeuvring around beds, in bathroom areas and through narrow doorways. With a weight capacity of 150kg, the Invacare Birdie Compact is ideal for everyday lifting in the home or aged care facility environment.
