

Portable Weigh Scale

Ceiling Hoist Accessories

Complete with four point yoke and a range of features, the Portable Weigh Scale is suitable for use with the P Series range, the Stellar, Nomad and Voyager Portables, along with the fixed range of ceiling lifts.

Features include BMI (Body Mass Index) Calculation, 300kg SWL maximum user weight, weight displayed in kilos or pounds with accuracy to 100 grams, and long life, high capacity lithium battery.

Also features internal software that will cut off the battery when not in use, preventing the need to remove the battery when not in use for long periods of time.
