

## Prism Medical C625

### Fixed Hoist

The Prism Medical C625 Hoist delivers innovation, affordability and quality. Ceiling hoists dramatically reduce injuries resulting from the handling of patients and residents in both institutional and home care settings. The C625 has been designed with a full set of standard features and can be safely operated by a single caregiver. Built for quiet operation, the C625 provides a smooth and effortless transfer, which safely enhances the working conditions of caregivers. At the press of a button, the C625 will lift up to a maximum of 283kg (625lbs), allowing for the greatest flexibility in the type of patients that can be transferred. For additional flexibility, powered traversing options can be included.
