## Astor Invincible Wall Mounted Changing & Showering Table

The Astor Invincible height adjustable changing and showering table has been designed to withstand robust treatment in public settings, yet provides a very comfortable and practical solution for complex needs of daily care giving. The height of this wall mounted changing and showering table can be easily adjusted up or down to minimise carer strain.

The Invincible is believed by many experts to be the most robust changing table available with its cut resistant stretcher, anti-tamper screws and fixings and easy access non-tamper embedded controls (no handset to tamper with / remove). The Invincible has been built using robust materials so that parts can not easily be broken or removed and there are no wires or cables visible or accessible. Specialist security tools are required to access the working elements of this product for maintenance, leaving an externally sleek and tamperproof changing and showering table.

## Technical Specifications

- Total product dimensions - 1800mm x 956mm x 1392mm
- Stretcher Size - 1800mm x 800mm
- Height Range - 160mm - 900mm (740mm)
