

Astor CT Nivano Wall Mounted Changing and Showering Table

Highlights:

- Height adjustable to give safe and comfortable carer working height
- Suitable for use in shower areas and wet rooms
- Durable non-rip high tension vinyl stretcher - comfortable and easy to clean
- 150 kg SWL (220 kg option)

A popular choice among families and Occupational Therapists for many years, the CT Nivano is comfortable, reliable and looks sleek. It is simple to operate from a handset control and comes in a range of sizes from 1000 mm up to 1900 mm to suit both paediatric and adult applications.

The durable stretcher material is comfortable as well as quick and easy to clean, saving precious time. This, along with part stainless steel construction gives many years of worry free use, even in wet and humid or multi-user environments, especially when combined with ongoing maintenance for extra peace of mind.

The 600 mm travel range enables the user to be gently lifted to a safe and comfortable working height for washing, showering, changing and dressing. The platform stows neatly when not in use, held in place with twin gas struts, and features battery back-up for safe lowering in the event of a power failure.

The CT Nivano can be tailored for you with the addition of optional extras adding comfort, convenience and unique customisation.
