

Large Floor Trolley Ceiling Hoist Accessories

Ergonomically designed, this large 2 shelved floor trolley with the reacher holder is a must for transporting a portable ceiling hoist unit from room to room in an institutional environment. Designed in conjunction with OH&S coordinators and occupational therapists to prevent potential back injuries, the large floor trolley glides along on full size, non-marking rubber castors. The bottom shelf is ideal for sling storage. The large floor trolley suits all CHS Healthcare portable hoists.
