

STELLAR 440P Portable Ceiling Hoist

The STELLAR 440P Portable Ceiling Hoist is one of the lightest on the market, weighing only 5kg, whilst lifting the industry standard of 200kg. Ideal for single or multiple rooms uses, the product is robust and charges with an AC Charger. The unique spreader bar includes our industry-leading Secure Sling Mechanism designed to ensure loop attachments cannot be unintentionally removed. Perfect for homes, multi-room aged care, gantries, and travel use. STELLAR 440P Portable Ceiling Hoist can be used as a flexible alternative to fixed overhead hoists.
