

Astor CTX2 Wall Mounted Changing and Showering Table

Highlights:

- 200 kg / 31½ st maximum working load (MWL)
- Discreet integrated water collection tray
- Calming ambience through integral lighting
- Comfortable polyurethane padded mattress
- Flexible support with tilting headrest
- Guards, bumpers and wall mattress available

The Astor CTX2 is the ultimate wall mounted changing table combining many practical and aesthetic features to allow the complex needs of daily care giving to be conducted in a comfortable and relaxed manner.

The height of the bed is easily adjusted from a low of 300 mm/11¹³/₁₆" to 1040 mm/40¹⁵/₁₆" via the handset to minimise carer strain, and to optimise manoeuvrability. The handset also controls the integrated lighting which gives a calm and relaxed environment for transferring and changing. Tilting head rests give enhanced comfort, combining with other features to enhance the personal care routine.

The Astor CTX2 changing table is designed to withstand high usage in wet and humid environments with the inclusion of stainless steel parts, a durable and comfortable moulded polyurethane bed with drain holes and an integrated water collection tray, making it a suitable addition to wetrooms and ensuites.

The mattress stows neatly when not in use to maximise room space, held in place with twin gas struts. It features battery back-up for safe lowering in the event of a power failure.

Standard Features:

- MWL 200 kg / 31½ st
- Height adjustable range:
300 mm - 1040 mm (740 mm) / (11¹³/₁₆" - 40¹⁵/₁₆")
