## Manual Wall Mounted Changing & Showering Stretcher

### Highlights:

- Bespoke lengths available
- 150 kg SWL
- Compact - protrudes just 180mm when stowed
- Suitable for use in wet-rooms

The Astor CTM3 is a manual height adjustable changing stretcher, ideal for the situations where an electric supply is not available, or, at around half the price of an electric powered version, as a cost effective option. It is also a compact option, protruding just 180mm from the wall when stowed.

The Astor CTM3 manual changing bench can safely be used in wet, dry and humid environments and is available in stretcher sizes from 1200 mm to 1900 mm x 720 mm with non-standard sizes available on request. This piece of specialist equipment has a wide range of optional extras for added safety and comfort such as a fold out guard and protective bumper as well as splash skirts for showering and a removable mattress for added comfort.
