

Astor Invincible

Wall Mounted Changing & Showering Table

Highlights:

"The most robust changing table available."

- Cut resistant and graffiti proof stretcher
- No exposed wires /fixings /controls
- IK10 tested - highest level
- Non-tamper embedded control panel
- Split guard for improved access and care
- Battery back up in case of power outage
- Emergency stop button

The Astor Invincible height-adjustable changing and showering table is designed for demanding public environments, providing a robust, comfortable and practical solution for complex care needs, with easy height adjustment to minimise carer strain.

Built for durability and security, the Invincible features a cut-resistant and graffiti-proof stretcher, anti-tamper fixings, integrated controls and no exposed wires or cables. Tested to IK10 impact protection, it is designed to withstand robust use while maintaining a sleek appearance.

The innovative split-guard provides greater access for care while maintaining security, while the table folds neatly against the wall when not in use with battery backup for safe lowering during power failure and an emergency stop button for added safety.
