

Astor Shower Trolley

Showering & Changing Trolley

Highlights:

- 200 kg Maximum working load
- Lockable fold down side guards
- Fixed head and foot rails
- Waterproof mattress with drain & waste hose
- 4 twin lockable castors
- Rechargeable battery
- Handset control or via end panel

The Astor Shower Trolley is a perfect choice for showering and changing in wet room environments. It has a single actuator lifting system ensuring a smooth and quiet height adjustment to enable safe transfers and appropriate carer working heights.

The four twin lockable castors create a smooth ride and lock for safety. Another key safety feature is the lockable side rails - with a double lock mechanism for added safety.

The mattress is waterproof and anti-microbial coated for added hygiene, and has a drain and waste hose to enable waste water from showering to be easily directed into a nearby drain or toilet.

Standard Features

- Maximum working load 200 kg
- Height adjustable range 530 mm - 960 mm
- Handset operation
- Rechargeable battery powered
- Lockable fold down side guards
- Fixed head and foot rails
- 4 twin wheel lockable castors
- Rust free components
- Waterproof shower mattress with raised sides Integral drain and waste hose
- 3 Year warranty (Terms and conditions apply)
