Hygienic Curtain of the New Generation

CQ ropimex®-seamless Cleanique® sets the standard for top-level hygiene — engineered in Germany and exclusively distributed throughout Australia by CHS Healthcare.

Made from thermoplastic polyurethane with no stitched seams, Cleanique® eliminates the crevices where bacteria collect in conventional curtains. It drapes beautifully, feels soft to the touch, and is approved for direct skin contact — making it ideal for shower rooms, bathrooms and sanitary blocks where the highest hygiene standard is required.

Key Features

- **Seamless** construction — thermoplastic polyether polyurethane, no stitching
- **Antimicrobial activity** and beautiful draping properties
- Approved for skin contact in accordance with **FDA (ISO 10993)**
- Fire class **M1** · water-repellent, light-fast, resistant to rubbing
- **Tear-proof**, recyclable, durable and non-stick
- Fabric weight ca. 270 g/m² · machine washable up to 30°C

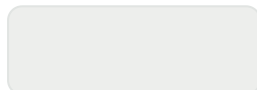

Seamless by Design

Why Seamless Matters

Stitched curtain seams create tiny pockets that trap moisture and bacteria, and fray over years of laundering. Cleanique®'s welded, seamless edge (below) removes this weak point entirely – the fabric stays smooth, tear-proof and fully wipeable across its whole surface.

Available in 2 Colours

Velvet-White

Sky Blue

Standard Sizes (Width × Height, cm)

Code	Size	Code	Size
CQ 108	100 × 80	CQ 1620	160 × 190
CQ 128	120 × 80	CQ 1820	180 × 190
CQ 121–153	140–170 × 120–175	CQ 2020–3320	200–330 × 190
CQ 211–2216	220 × 120–190	—	Special sizes on request
