Permanently Antibacterial & Antiviral Protection

The **Ropitex Bioactive Curtain** is a permanently antibacterial and antiviral cubicle curtain, engineered in Germany by **Ropimex®** and exclusively distributed throughout Australia by **CHS Healthcare**.

Made from 100% Bioactive polyester, it combines infection control, fire safety and acoustic performance in a single fabric — ideal for hospitals, aged care facilities, disability accommodation, schools and other public healthcare environments.

Available in 11 colourways and a full range of standard sizes, it can be finished as eyeleted panels, tape-top curtains, mesh-window cubicle screens, or supplied as uncut rolls for custom fabrication.

Key Features

- **Permanently** antibacterial and antiviral fabric treatment — does not wash out over the fabric's lifetime
- Fire retardant — certified to **M1** (NF P92-503/504/505), **B1** (DIN 4102 Part 1) and **IMO FTP Code** (2010)
- Acoustic absorption rated **0.72 NRC** (ASTM C423 / EN ISO 354)
- **Oeko-Tex®** Standard 100 certified fabric
- Machine washable up to **60°C**
- Lightweight, durable weave — approx. **140g/m²**, 210cm roll width
