We're Here For You

Privacy for Patients, Ease for Staff

The Ropimex® shower splash guard range (models RDSE, RDTE, RDLE) and the RKLE telescopic screen cubicle save care personnel having to get changed, and make their work easier — engineered in Germany and exclusively distributed throughout Australia by CHS Healthcare.

One splash guard can be used for several shower areas fitted with wall brackets. The space-saving RKLE model creates a screen for washing, changing, radiotherapy or inhaling in just a few seconds — as a corner solution or a U-shaped solution.

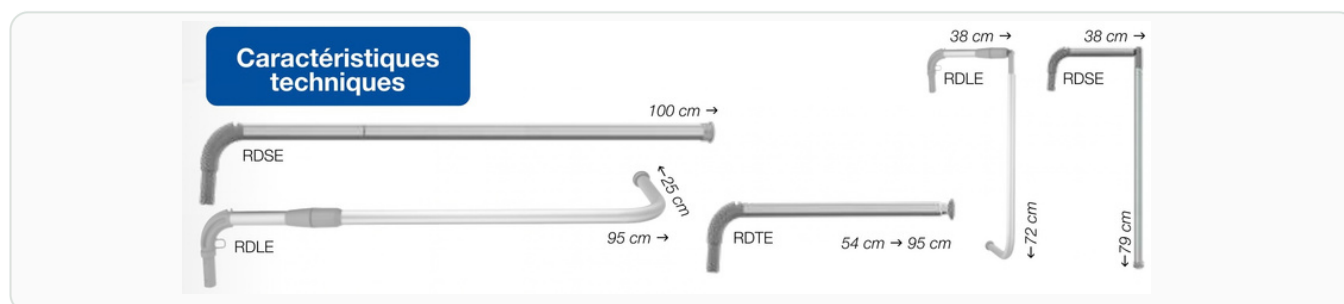

Key Features

- **RDSE** — swing-out and fold-down splash guard arm, 100 cm
- **RDTE** — telescopic, swing-out splash guard arm, 95 cm
- **RDLE** — L-shaped, swing-out and fold-down, usable left or right, side leg 25 cm, 95 cm
- **RKLE** — telescopic screen cubicle, wall-fixing, corner or U-shaped configuration
- Telescoping and disinfectable, compatible with washable Ropimex® curtains
- CE marked medical devices · anodised aluminium and glass-fibre reinforced plastics

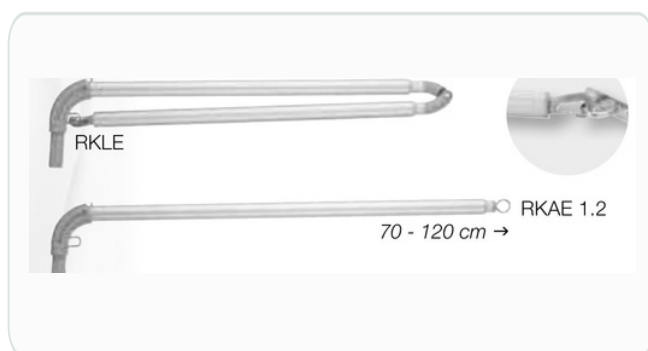

Configurations & Dimensions

From the Ropimex® catalogue: RDSE, RDLE and RDTE splash guard arms with dimensions.

Model	Type	Dimensions	Recommended Curtain	Rings
RDSE	Swing-out and fold-down	100 cm	VH/C 100, CQ 108	8
